

Vertical Blinds

When both Quality & price matters- JUST FLOORING

Why choose Vertical blinds by Just Flooring?

Just Flooring Blinds are manufactured in Perth.

Choose from two track styles V40 (Slim track) or V28 (most popular track in Perth). Both the V28 and V40 tracks can either have a wand control or cord control giving you more opening options e.g. Centre opening, Centre bunching, left or right bunch.

Perth Vertical blinds Fabric

At Just Flooring we only offer the best fabrics for our Vertical blinds in polyester Blackout fabric. All our fabrics are PVC free and Lead free. For textured fabric we use Shaw Karma blackout. For blackout verticals we also offer Uniline Sunset, Australian made Elegance and Shaw Vibe fabric. All of our vertical fabrics can also be used to make Roller Blinds to match if you need both types of blinds. Our Vertical blinds fabrics are washable and easy to clean too.

Choose how we finish your Vertical blinds

At Just Flooring you have the choice of 89mm or 127mm slats. Verticals 89mm is popular on sliding doors or in windows with narrow recess. But 127mm slats are a slightly cheaper option.
